

# Welcome to Week 4

Theme: Weather

## Words of the Week:

- "more"
- "hot"
- "cold"
- "weather"
- "out"

"more"

Hello, families!

This week, your child will be practicing using the word "more" to ask for something to continue. Your child will be working on signing, saying or using their AAC device to request "more".

Your child will also practice following the direction "take out". When asked, the child will take an item out of a container.

The concept of the week is "hot" vs. "cold".  
The letter of the week is "C".

### Ideas for home practice:

- Look out the window and discuss the weather with your child each morning.
- Have your child unpack their backpack with the direction "take out"
- Watch "Letter C" videos on YouTube and point out all pictures that start with "C"
- Blow bubbles. When your child reaches for "more", have them sign/say/use their AAC device.
